Careforce
Lifekeys

Human beings are spectacular, puzzling, brilliant, and broken—full of inner contradictions that shape how we live and relate to others.

This program explores our deep need for acceptance, value, and belonging, and how unresolved struggles can lead to destructive patterns of behaviour.

It identifies the root causes of these tensions and introduces the healing power of truth in safe environment.

Participants can gain insight into their own story and begin a pathway toward greater freedom and emotional health.

Covers human identity –
the impact of sin;
brokenness, addictions,
performance, guilt, shame,
blame and punishment,
and God's answers
in Christ
