The Search for Life Course

Identifies the cause of many human tensions and introduces healing through love, acceptance and peer support

Search for Life

Human beings are spectacular, puzzling, brilliant and broken. Why do so many contradictions exist in our lives?

Everyone needs to understand the power of our internal cry for acceptance, value and belonging. Everyone needs to understand the cause of our most basic struggles and find a solution to them.

Without insight and answers to the human dilemma individuals resort to inadequate and destructive patterns of behaviour to address feelings of low self esteem, inadequacy, emptiness and insecurity. This ten session program identifies the cause of so many human tensions and introduces participants to the healing power of truth in a caring and safe environment.
