Small Group Leader & Facilitator Training

A course designed to equip leaders for every kind of small group.

Leaders of small groups of every kind need training

Good training produces leaders who are confident, who understand relationship dynamics, spiritual dynamics and are capable of creating an effective group atmosphere essential for discipleship, pastoral care and evangelism.

This course is a leadership development tool. Trainees will experience personal growth, skills development and an understanding of the core issues encountered in running groups of every kind.

Good training develops leaders who are excited about leading and capable of assisting others in growing to their full potential in Christ.

This course includes teaching on the core issues involved in discipleship and restoration with many demonstrations of the small group skills involved.

The Small Group Leader and Facilitator Training Manual is essential for each trainee undertaking the course, and will be an invaluable resource for their future leadership as it includes material on skills for intervention and practical tools which can be adapted to a wide variety of small group settings.

The Small Group Leader and Facilitator Training Manual (to be provided) is essential for each trainee.

It will be an invaluable resource for future group leading as it includes skills for intervention and practical tools that are adaptable to a wide variety of small group settings.
