Man to
Man

A program designed to
assist men to overcome
the challenges of life

Man to Man

Men are designed for action, excitement and success, yet all too often they find themselves bored, empty and lonely. Today's man is a product of this past.

This ten session program explores past and present relationships and examines the effects of family background on the way men think, feel and behave.

Participants will gain personal insight, support from other men and skills for living life more successfully.

Testimonies

"When I started Search for Life I was an atheist. When I finished I was an agnostic. During Man to Man I wondered how I ever lived without God and now I'm a Christian. Nothing could buy what I have now!"

"The course was very challenging personally. The teaching was great and very rewarding. The group sessions were so challenging that I knew I had to walk out or deal with the issues. I dealt with the issues with God's help. Congratulations on bringing the course to me."
