# Woman to Woman

A program designed to assist women to overcome the challenges of life

## Woman to Woman

This program encourages women to take a close look at their relationships and their world. Every woman carries with her the strengths and weaknesses of her background into family, work and relationships.

This ten session program is designed to give insight into family dynamics, personal attributes, beliefs and values and provides strategies for change. It encourages women to embrace life and invest in a better future.

## **Testimonies**

"I wasn't sure how it could be a healing experience just to share in a group. I would do that with friends and partner anyway- but it was different! 9P

I think the declaration we make joining a group is part of what the difference is and why God can heal us that way. There is such a sense of love and security in a Lifekeys group which you can't get any where else."

Dates

10 weeks Tuesdays 30 April to 2 July 2024
