Careforce Lifekeys

Careforce Lifekeys programmes offer an opportunity to see how Christian principles can form a foundation to find a path through the conflicting pressures and expectations of life today.

In Term three Lifekeys Life Church offer a Lifekeys programme for 8 – 11 year olds.

Experience has shown the impact of this relatively short programme to be sustainable and long lasting. Family units are given tools to communicate more effectively and the children benefit through improved social skills and a healthier self awareness.

The participant's manual provides a tool for the children and family to refer to, and to draw on as they seek to continue applying the skills and ideas they have learned.

As the programme covers various topics and the teaching builds a foundation of relationships within the group it is essential to have a commitment from parents to have their children attend every session they can.

Parental interaction is encouraged with the children and facilitators.

A parent information night will be held on Friday 28 July 2023 @ 7.30pm at Life Church, 134 Morgans Road.

A family celebration and feedback will be held from 8 – 8.30pm on the final night.
